Electric Department

The Electric Department is scheduled to take down the Snow Flakes beginning Tuesday, January 19, 2016.

Also, Tree Trimming will begin this month ... weather permitting. As a reminder, the provisions of right-of-ways and easements typically grant the BPW the authority to trim trees without additional property-owner permission. We take additional steps to notify customers in advance when this occurs.

Savannah Road

DelDot has been working on Savannah Road adjusting manholes and pouring concrete.

Highland Acres

The installation of a 12" water line from Savannah Road on to Sussex Drive is complete. Work on Water and Sewer construction in Highland Acres will resume on Monday, January 4, 2016.

BPW's Water Department Update

The storm water at the intersection of Anglers Road and Market Street as well as water being worked on from Market Street down Bay view to Savannah Road is still in progress.

At the corner of Pilottown and New Road, construction for a catch basin replacement is being performed by Harry Caswell, Inc.
